*The voice of the sandpiper is soft and sweet
 Little bird who lives by the sea
 Ever watchful on the beaches
 Where the sea is peaceful and calm*

*The sandpiper
 The sandpiper returns
 The sandpiper runs along the beach
 Where the sea is peaceful and calm*

*The voice of the plover is soft and sweet
 How are you, stranger? Very well
 You grace our land
 Imbued with fragrance*

*The sandpiper
 The sandpiper returns
 The sandpiper runs along the beach
 Where the sea is peaceful and calm*
