Blue Skies
by Irving Berlin (1926)

Blue skies— smiling at me——

Nothing but blue skies— do I see——

Blue— birds— singing a song——

Nothing but blue— birds— all day long——

Never saw the sun— shining so bright. Never saw things— going so right——

Noticing the days— hurry-ing by—— When you’re in love— my how they fly—

Blue— days— All of them gone——

Nothing but blue— skies— From now on——

Inst:

Blue— skies— smiling at me——

Nothing but blue— skies— do I see——

Blue— days— All of them gone——

Nothing but blue— skies— From now on——
