

Crazy Love

by Van Morrison

I can hear her heart-beat from a thousand miles—
And the heavens open— every time she smiles—
And when I— come to her— that's where I be-lo—ong
And I'm runn-ing to her— like a river song—

Chorus:
She give me love, love, love, lo-ove crazy love—
She give me love, love, love, lo-ove crazy love—

She got a fine— sense of hu—mor— when I'm feelin' low do—own—
And when I— come to her— when the sun goes do—own—
Take a-way— my trouble— take a-way my grief—
Take a-way—ay my heartache in the night like a thief—

Chorus:
She give me love, love, love, lo-ove crazy love—
She give me love, love, love, lo-ove crazy love—

Bridge:
Yeah, 'n' I need her— in the day—ti-ime (*I need her—*)
And I need her— in the ni—ght (*I need her—*)
And I wanna throw my—y arms a-round her (*I need her—*)
And kiss and hug her, kiss and hug her ti-ight— (*--hold-----*)
