

# Crazy Love

by Van Morrison (1970)

I can hear her heart-beat from a thousand miles—

And the heavens open— every time she smiles—

And when I— come to her— that's where I be-lo—ong

And I'm runn-ing to her— like a river song—

**Chorus:** She give me love, love, love, lo-ove crazy love—

She give me love, love, love, lo-ove crazy love—

She got a fine— sense of hu—mor— when I'm feelin' low do—own—

And when I— come to her— when the sun goes do—own—

Take a-way— my trouble— take a-way my grief—

Take a-way-ay my heartache in the night like a thief—

**Chorus:** She give me love, love, love, lo-ove crazy love—

She give me love, love, love, lo-ove crazy love—

**Bridge:** A Yeah, 'n' I need her— in the day—ti-ime (*I need her—*)

A And I need her— in the ni—ght (*I need her—*)

A And I wanna throw my—y arms a-round her (*I need her—*)
