C                    B7                    | Ab                    G7                    | C                    B7                    A7                    |  
 Stars shining bright a-bove— you—                    Night breezes seem to whis-per “I love you”  
 F                    | Fm                    | C                    Ab                    | G                    |  
 Birds sing-ing in a syca-more tree—                    Dream a little dream of me—  
 C                    B7                    | Ab                    G7                    | C                    B7                    | A7                    |  
 Say ‘nightie-night’ and kiss— me—                    Just hold me tight and tell me— you’ll miss me  
 F                    | Fm                    | C                    Ab\ G7\ | C                    |  
 While I’m a-lone and blue as can be—                    Dream a little dream of me—

**Bridge:** A                    | E7                    | A                    | E7                    |  
 Stars fad—ing but I lin-ger on, dear                    Still crav-ing your kiss—  
 A                    | E7                    | A                    | Ab                    G7                    |  
 I’m long-ing to linger till dawn, dear                    Just say-ing thi—is

C                    B7                    | Ab                    G7                    | C                    B7                    | A7                    |  
 Sweet dreams till sunbeams find— you—                    Sweet dreams that leave all wor-ries be-hind you  
 F                    | Fm                    | C                    Ab\ G7\ | C                    |  
 But in your dreams what-ever they be—                    Dream a little dream of me—

**Instrumental:** C                    B7                    | Ab                    G7                    | C                    B7                    | A7                    |  
 (*same as 2<sup>nd</sup> verse*) F                    | Fm                    | C                    Ab\ G7\ | C                    |

**Bridge:** A                    | E7                    | A                    | E7                    |  
 Stars fad—ing but I lin-ger on, dear                    Still crav-ing your kiss—  
 A                    | E7                    | A                    | Ab                    G7                    |  
 I’m long-ing to linger till dawn, dear                    Just say-ing thi—is

C                    B7                    | Ab                    G7                    | C                    B7                    | A7                    |  
 Sweet dreams till sunbeams find— you—                    Sweet dreams that leave all wor-ries be-hind you  
 F                    | Fm                    | C                    Ab\ G7\ | C                    |  
 But in your dreams what-ever they be—                    Dream a little dream of me—

**(slower)** C                    Ab\ G7\ C\ |  
 Dream a little- dream- of— me—
