Dream a Little Dream of Me
music by Fabian Andre, Wilbur Schwandt, lyrics by Gus Kahn (1931)

Intro:

Stars shining bright a-bove— you——

Night breezes seem to whis-per “I love you—”

Birds sing-ing in a syca-more tree——

Dream a little dream of me———

Say ‘nightie-night’ and kiss—— me——

Just hold me tight and tell me—you’ll miss me

While I’m a-lone and blue as can be——

Dream a little dream of me———

Stars fad—ing but I lin-ger on dear

Still crav-ing your kiss———

I’m long--ing to linger till dawn dear

Just say—ing thi——— is——

Sweet dreams till sunbeams find—— you——

Sweet dreams that leave all wor—ries be-hind you——

But in your dreams what-ever they be——

Dream a little dream of me———
