Goodnight
by John Lennon and Paul McCartney (1968)

        G . Bm7 . ' | Am7 . C/d\ D7 \ (hold)

Now— it's time— to say— good night— good night— sleep— tight—
Now— the sun— turns out— its light— good night— sleep— tight—
Dream— sweet dreams— for me—dream— sweet dreams— for you—

Close— your eyes— and I'll— close mine— good night— sleep— tight—
Now— the moon— begins— to shine— good night— sleep— tight—
Dream— sweet dreams— for me—dream— sweet dreams— for you—

               Hmmmm-m Hmmmm Hmmmm-mm Hmmmmmm
Close— your eyes— and I'll— close mine— good night— sleep— tight—
Now— the sun— turns out— its light— good night— sleep— tight—
Dream— sweet dreams— for me—dream— sweet dreams— for you—

End:
Good night good night every-body
