Hey Jude
by Paul McCartney (1968)

Hey Jude—— don’t make it bad——
Take a sad song—— and make it better-er-er——

Remember to let her into your heart—— then you can start—— to make it—— better——

Hey Jude—— don’t be afraid——
You were made to—— go out and get her-er-er——

The minute you let her under your skin—— then you can—— start—— to make it—— better——

F7 . . . . . . | Bb . Bbmaj7 . | Gm

And any time you feel the pain, Hey Jude—— refrain

Don’t carry the world upon—— your shoulder——

For well you know that it’s a fool who plays—— it cool——

By making his world—— a little—— colder——

Na na-na Na Na Na-na Na Na——

Hey Jude—— don’t let me down——
You have found her—— now go and get her-er-er——

Remember to let her into your heart—— then you can start—— to make it—— better——

F7 . . . . . . | Bb . Bbmaj7 . | Gm

So let it out and let it in. Hey Jude—— begin

You’re waiting for someone—— to perform with——

And don’t you know that it’s just you, hey Jude—— you’ll do

The movement you need is on—— your shoulder

Na na-na Na Na Na-na Na Na—— yeah——
Hey Ju-u-ude— don’t make it bad—— Take a sad song— and make it bet-ter——
Re-member to let her under your skin— then you be-gin—— to make it— bet-ter
better better better better better Oh!!——

(yeah yeah yeah yeah)

Hey Jude——

(hey Jude Jude Jude Jude)
