

I Love My Dog

by Lindy Gravelle

Intro: F . . .

From the moment that I met him, he was the true com-panion for my heart

We walked and talked to-gether and vowed we would never be a-part

It didn't take us long and we were spending nights to-gether in a king size bed

I've never known a love like this it goes be-yond what human words have said

Chorus: (---tacit--) |Bb . . . |F . . .
I love my dog, (woof) I love my dog (woof)

He's the best friend that I've ever had from his tail to his nose

He's al-ways a-round, Don't let me down

Never drops the ba-all-all I love my dog

Well he's always glad to see me if I've been gone for hours or a minute or two

He shines those big brown eyes at me and wags his sweet hel-lo, "I love you"

He curls up right next to me, makes me feel so warm and safe in-side

And he's happy just to be with me and it don't take much to keep him sa-tis-fied

Chorus: (---tacit--) |Bb . . . |F . . .
I love my dog, (woof) I love my dog (woof)
