The summer air was soft and warm, the feeling right, the
Paris night—did it’s best to please us—
and strolling down the Ely-see——we had a drink in each ca-fé—and—
you talked of poli-tics, phi-loso-phy and I——smiled like Mona Li—sa—
We had our chance——It was a fine and true ro-mance———

Chorus: I can still re-call——our last sum-mer I still see it all——
Walks a-long the Seine——laughing in the rain——
Our last sum-mer, memories that re-main———

We made our way a-long the river and we sat down
in the grass——by the Eiffel To-wer———
I was so happy we had met It was the age of no re-grets—oh——yes
Those crazy years, that was the time——of the flower—po—wer———

But under-neath——we had a fear of flyin’
Of getting old——a fear of slowly dyin’
We took the chance——like we were dancing our last dance———
Chorus:
I can still re-call--- our last sum-mer I still see it all-----------------
In the tourist jam----, round the Notre Dame----
Our last sum-mer walking hand in hand

Chorus2:
Paris restau-rants--- our last sum-mer morning croi----sants-----------------
A . | D . F# . | Bm .
Living for the day---, worries far a-way---
Our last sum-mer, we could laugh and play-----------------
D . . | F#m . | Bm . . A
And now you’re working in a bank the family man,
a football fan---- and your name is Har-ry--------
How dull it seems----- yet you’re the hero of my dreams-----------------
Chorus:
I can still re-call--- our last sum-mer I still see it all-----------------
A . | D . F# . | Bm .
Walks a-long the Seine----, laughing in the rain----
Our last sum-mer, memories that re-main----
I can still re-call--- our last sum-mer I still see it all-----------------
A . | D . F# . | Bm .
In the tourist jam----, round the Notre Dame----
Our last sum-mer walking hand in hand----
Paris restau-rants--- our last sum-mer morning croi----sants-----------------
A . | D . F# . | Bm .
Living for the day---, worries far a-way---
Our last sum-mer, we could laugh and play---
(slower) Our last sum-mer memories that re-main-----------------
