Like the sun plays in the morn-ing feel the qui-et, feel the thun-der

Every lad-der leads to hea-ven Coloured pen-cils draw the pict-ure

Sing the chan-ges as you’re sleep-ing feel the qui-et, in the thun-der

Sing the chan-ges, going o-ver feel the qui-et, in the thun-der

Like the sun plays in the morn-ing feel the quiet, feel the thunder

Every ladder leads to heaven Coloured pencils draw the picture

Sing your prai-ses as you’re sleep-ing see the chan-ges and you wonder

Feel the sense of child-like won-der sing your prai-ses as you’re sleeping

Sing the chan-ges as you’re sleep-ing feel the quiet, in the thun-der

Sing the changes, going o-ver feel the quiet, in the thun-der

Sing your prai-ses as you’re sleeping feel the quiet in the thun-der

See the chan-ges, going o-ver every body has a sense of child-like won-der

Sing your praises as you’re sleeping feel the quiet in the thunder
See the changes, going over everybody has a sense of child-like wonder
