An-other summer's gone a-gain and left me low——

Where did the summer—— go——?

D . . . . | Gmaj7  Gm  F#m . |
An-other winter's on its way with lots of snow——

Burying memories deep—— in the past——

Where did the summer—— go——?

Bridge:  Wasn't it just—— yester-day—— The start of va-cation——

the end of rou-tine—— And oh, how we need—— to play——

Some sweet recre-ation—— a new change of scene——

D . . . . | Gmaj7  Gm  F#m . |
An-other autumn's come to take us home a-gain——

Pleasant e-nough—— but I still want to know——
