The Christmas Song
by Mel Torme and Bob Wells (1944)

Chestnuts roasting on an open fire———
Jack Frost nipping at your nose———
Yule-tide carols being sung by a choir———
And folks dressed up like Eskimo——— everybody
Knows a turkey and some mistletoe———
Help to make the season bright———
Tiny tots with their eyes all a-glow———
Will find it hard to sleep tonight———

Chorus: They know that Santa's on his way———
Gm7 . C7 .
He's loaded lots of toys and goodies on his sleigh———
| Fm . Bb7 . | Cm7 .
and every mother's child is gonna spy———
to see if reindeer really know how to fly———

And so, I'm offering this simple phrase———
C . C7 . | F . E7
to kids from one to ninety-two———

Altho' though it's been said many times, many ways, Merry Christmas———
C . Am

Merry Christmas—— Merry Christmas—— to—— you——
