*The voice of the sandpiper is soft and sweet  
 Little bird who lives by the sea  
 Ever watchful on the beaches  
 Where the sea is peaceful and calm*

*The sandpiper  
 The sandpiper returns  
 The sandpiper runs along the beach  
 Where the sea is peaceful and calm*

*The voice of the plover is soft and sweet  
 How are you, stranger? Very well  
 You grace our land  
 Imbued with fragrance*

*The sandpiper  
 The sandpiper returns  
 The sandpiper runs along the beach  
 Where the sea is peaceful and calm*
