Chorus: 'U-li-li 'e-he-he-ne, 'u-li-li a-ha-ha-na
The voice of the sandpiper is soft and sweet
Little bird who lives by the sea
Ever watchful on the beaches
Where the sea is peaceful and calm

The sandpiper
The sandpiper returns
The sandpiper runs along the beach
Where the sea is peaceful and calm

The voice of the plover is soft and sweet
How are you, stranger? Very well
You grace our land
Imbued with fragrance

The sandpiper
The sandpiper returns
The sandpiper runs along the beach
Where the sea is peaceful and calm
