

Always Look on the Bright Side of Life

By Eric Idle (1979)

(Slow)
(sing b)

a)

Some-things in life are bad— they can really make you sad—
 Other things just make you swear and curse—
 When you're chewing on life's gristle— don't grumble give a whistle
 and this'll help things turn out for the best—

(Up tempo)

Chorus: And al-ways look on the bright— si-ide of life— (----whistle-----)
 Al-ways look on the light— si-ide of life— (----whistle-----)

If life seems jolly rotten— there's something you've forgotten—
 And that's to laugh and smile and dance and sing—
 When you're feeling in the dumps— don't be silly chumps—
 Just purse your lips and whistle, that's the thing—

Chorus: And al-ways look on the bright— si-ide of life— (----whistle-----)
 Come on al-ways look on the right— si-ide of life— (----whistle-----)

For life is quite ab-surd— and death's the final word
 You must always face the curtain with a bow—
 For-get a-bout your sin, give the audi-ence a grin
 En-joy it, it's your last chance any— how—

Chorus: | G . Em . | Am . D7 . | G . Em . | Am . D7 . |
 So al— ways look on the bright— si—ide of death— (----whistle-----)
 | G . Em . | Am . D7 . | G . Em . | Am . D7 . |
 Just be— fore you draw your termi—nal breath— (----whistle-----)

Am . D . | G . Em .
 Life's more miss than hit* when you look at it
 | Am . D . | G . . .
 Yes, Life's a laugh and death's a joke it's true—
 | Am . D . | G . Em
 You'll see it's all a show, keep'em laughing as you go
 | Am . . . | D . . D7
 Just re—member that the last laugh is on you—

Chorus: | G . Em . | Am . D7 . | G . Em . | Am . D7 . |
 And al— ways look on the bright— si—ide of life— (----whistle-----)
 | G . Em . | Am . D7 . | G . Em . | Am . D7 . |
 Al— ways look on the bright— si—ide of life— (----whistle-----)
 (Come on Brian, cheer up!)
