Always Look on the Bright Side of Life
by Eric Idle

(Slow)        (Up tempo)

Some-things in life are bad they can really make you sad.

Other things just make you swear and curse

When you're chewing on life's gristle, don't grumble give a whistle,

and this'll help things turn out for the best

And al-ways look on the bright side of life (-----whistle----------)

(-----whistle-------------)

If life seems jolly rotten there's something you've forgotten

and that's to laugh and smile and dance and sing

When you're feeling in the dumps don't be silly chumps.

Just purse your lips and whistle, that's the thing

And al-ways look on the bright side of life (-----whistle----------)

Come on al-ways look on the bright side of life (-----whistle----------)

For life is quite ab-surd and death's the final word.

You must always face the curtain with a bow

For-get a-bout your sin, give the audi-ence a grin.

En-joy it, it's your last chance any-how
So al-ways look on the bright side of death
(whistle)

Just be-fore you draw your termi-nal breath
(whistle)

Life's more miss than hit,* when you look at it.

Yes, Life's a laugh and death's a joke it's true

You'll see it's all a show, keep'em laughing as you go.

Just re-mem-ber that the last laugh is on you

And al-ways look on the bright side of life
(whistle)

Al-ways look on the right side of life
(Come on Brian, cheer up!)

(Key change)

Al-ways look on the Bright side of life
(whistle)

Al-ways look on the Right side of life
(whistle)

Al-ways look on the Light side of life
(whistle)

Al-ways look on the Bright side of life
(whistle)
