I've been a-wake for a while now—— You've got me feelin' like a child now——
Cause every time I see your bubbly face—— I get the tingles in a silly place

It starts in my toes and I crinkle my nose—— where-ever it goes—— I al-ways know——
 . . . | . . . | A\Maj7 .
That you make me smile, please stay for a while now
Just take your time—— where-ever you go——

The rain is falling on my window-pane—— but we are hiding in a safer place——
Under covers, stay-ing safe and warm—— you give me feelings that I a-dore

It starts in my toes and I crinkle my nose—— where-ever it goes—— I al-ways know——
 . . . | . . . | A\Maj7 .
That you make me smile, please stay for a while now
Just take your time—— where-ever you go——

Bridge:

A\Maj7 . . . | . . . . . | Bm . . . | . . . |
What am I gon-na say——
C#m . . . | . . . . . | Bm . . . |
When you make me feel this wa—a—ay?
C#m . . . | D\ \ (-----hold------) |
I just—— mmm——
It starts in my toes and I crinkle my nose where-e-ver it goes— I al—ways know—
That you make me smile, please stay for a while now
Just take your time— where-e-ver you go——

I've been a-sleep for a while now—— You tucked me in just like a child now——
Cause every time you hold me in your arms—— I'm comfort'-ble e-nough to feel your warmth

It starts in my soul and I lose all con-trol—— when you kiss my no-ose the feel-in' shows
Cause you make me smile, baby, just take your time now, holdin' me ti-i—ight——
