Well East Coast girls are hip, I really dig those styles they wear.
And the South-ern girls with the way they talk, they knock me out when I'm down there.
The Mid-west farm-ers' daugh-ters real-ly make you feel al- right,
And the North-ern girls with the way they kiss, they keep their boy-friends warm at night.

Chorus:
The West Coast has the sun-shine and the girls all get so tanned.
I dig a French bi-ki-ni on Ha-waii-an Island girls by a palm tree in the sand.
I've been all a-round this great big world and I see all kinds of girls.

Yeah but I couldn't wait to get back in the States, back to the cutest girls in the world--

Chorus:

Repeat to fade:
