Crazy
By Willie Nelson

(oo oo oo oo)

I'm crazy——— crazy for feelin' so lonely———
I'm crazy——— crazy for feelin' so blue———
I knew——— that you'd love me as long——— as you wanted———
and then someday——— you'd leave me for some——body new——

Bridge: F . . | . . |C . . |C C/b C C/c# |
Worried——— why do I let my self worry———? (optional———)
Wondrin'——— what in the world did I do———?

I'm crazy——— for thinking that my love could hold you———
I'm crazy——— for thinking that my love could hold you———

Bridge: F . . | . . |C . . |C C/b C C/c# |
Worried——— why do I let my self worry———? (optional———)
Wondrin'——— what in the world did I do———?

I'm crazy——— for thinking that my love could hold you———

I'm crazy for tryin' and crazy for cryin' and I'm crazy for lovin' you——
