Bridge: And it really doesn't matter if I'm wrong, I'm right
Where I belong, I'm right where I belong—
See the people standing there, who disagree and never win
And wonder why they don't get in my door—

. F . C+ . . Fm Bb7\ .
I'm painting the room in a colourful way
and when my mind is wandering there, I will go—oo— oo oo oo ah ah

heh heh hey——

Bridge 2: And it really doesn't matter if I'm wrong, I'm right
Where I belong, I'm right where I belong—
Silly people run a-round they worry me
and never ask me why they don't get past my door——
I'm taking my time for a number of things
that weren't important yesterday and I still go

I'm fixing a hole where the rain gets in
and stops my mind from wandering where it will go
