A-another turning point, a fork stuck in the road—

Time grabs you by the wrist, directs you where to go—

So make the best of this test and don’t ask why—

It’s not a question but a lesson learned in time—

It’s something unpredictable but in the end is right—

I hope you had the time of your life—

So take the photo—graphs and still frames in your mind—

Hang it on a shelf in good health and good time—

Tattoos of memories and dead skin on tri—i—ial—

For what it’s worth, it was worth all the while—

It’s something unpredictable but in the end is right—

I hope you had the time of your life—
I hope you had the time of your life——

It's something unpre-dicta-ble but in the end is right——

I hope you had the time of your life——
