Goodnight
by John Lennon and Paul McCartney (1968)

Now— it's time— to say— good night—, good— night—, sleep— tight—

Now— the sun— turns out— its light—, good— night—, sleep— tight—

Dream— sweet dreams— for me— dream— sweet dreams— for you—

Close— your eyes— and I'll— close mine—, good— night—, sleep— tight—

Now— the moon— be-gins— to shine—, good— night—, sleep— tight—

Dream— sweet dreams— for me— dream— sweet dreams— for you—

Hmmm-m Hmmm Hmmm-m Hmmm Hmmm-mm-mm Hmmm

Close— your eyes— and I'll— close mine—, good— night—, sleep— tight—

Now— the sun— turns out— its light—, good— night—, sleep— tight—

Dream— sweet dreams— for me— dream— sweet dreams— for you—

End:

Good night— good night— every-body—,

G . Bm7 .

Every-body— every-where— good night—.
