        Sweet Mary Lou, I'm so in love with you.
        C                                            G

        So hel-lo, Mary Lou, goodbye heart

C
You passed me by one sunny day
F
Flashed those big brown eyes my way
        C                                        G
And, ooh, I wanted you forever more.
        C
Now I'm not one that gets around,
F
I swear my feet stuck to the ground
        C                     G                   C
And though I never did meet you be-fore.

Chorus:  Well, hel-lo, Mary Lou, goodbye heart
        C                    F
        Sweet Mary Lou, I'm so in love with you.
        C                                            G
        I knew Mary Lou, we'd never part
        C             G                     C
        So hel-lo, Mary Lou, goodbye heart

C
I saw you lips, I heard your voice,
F
Believe me, I just had no choice
        C                                            G
Wild horses couldn't make me stay a-way.
        C
I thought about a moonlit night
        F
My arms around, good and tight,
        C                     G                   C
That's all I had to see for me to say...
Chorus: Well, hel-lo, Mary Lou, goodbye heart
        C                  F                  
        C                        G                  
Sweet Mary Lou, I'm so in love with you.
        C                  E7                  Am
I knew Mary Lou, we'd never part
        C                  G                  C
