Hey Jude
by Paul McCartney (1968)

Hey Jude—— don’t make it bad—— Take a sad song—— and make it better-er-er——

Re-member to let her into your heart—— then you can sta-art—— to make it—— bet-ter——

Hey Jude—— don’t be a-fraid—— You were made to—— go out and get her-er-er——

The minute you let her under your skin—— then you be—— gin—— to make it—— bet-ter——

And any time you feel the pain, Hey Jude—— re-frain

Don’t carry the world upon—— your shoul-der——

For well you know that it’s a fool who plays—— it cool——

By making his world—— a little—— col-der——

Na na-na Na Na Na-na Na Na——

Hey Jude—— don’t let me down—— You have found her—— now go and get her-er-er——

Re-member to let her into your heart—— then you can sta-art—— to make it—— bet-ter——

So let it out and let it in. Hey Jude—— be—— gin

You’re waiting for some—— one to per—— form with——

And don’t you know that it’s just you, hey Jude—— you’ll do

The movement you need is on—— your shoul-der

Na na-na Na Na Na-na Na Na—— yeah——
Hey Ju-u-ude— don’t make it bad—— Take a sad song—— and make it bet-ter——
Re-member to let her under your skin—— then you be-gin—— to make it—— bet-ter
better better better better better better Oh!——
