I Only Want To Be With You
by Mike Hawker and Ivor Raymonde (1963)

I don't know what it is that makes me love you— so—,
I only know I never want to let you— go—
'Cause you've started something, oh, can't you— see?
That ever since we met you've had a hold on— me.

It happens to be— true— I only want to be with— you—

It doesn't matter where you go or what you— do—
I want to spend each moment of the day with— you—
Oh, look what has happened with just one— kiss—
I never knew that I could be in love like— this—

It's crazy but it's— true— I only want to be with— you—

Bridge: You stopped and smiled at me— asked if I'd care to dance—
I fell— into your open— arms— and I didn't stand a— chance—

(----tacet----) |

Now listen, honey.

I just want to be— side you— every— where—
As long as we're to— gether, honey, I don't— care—
'Cause you've started something, oh, can't you— see?
That ever since we met you've had a hold on— me.

No mat— ter what you— do— I only want to be with— you—
