I only know I never want to let you— go—
'Cause you've started something, oh, can't you— see?

That ever since we met you've had a hold on— me.
It happens to be— true— I only want to be with— you—

G . . . . | Em . .
It doesn't matter where you go or what you— do—
G . . . . | Em . .
I want to spend each moment of the day with— you—
Oh, look what has happened with just one— kiss—
G . . . . | Em . .

It's crazy but it's— true— I only want to be with— you—
