I Only Want To Be With You  
by Mike Hawker and Ivor Raymonde (1963)

(sing d b)

I don't know what it is that makes me love you so—
I only know I never want to let you go—
'Cause you've started something oh, can't you see—?
That ever since we met you've had a hold on me—
It happens to be true I only want to be with you—
It doesn't matter where you go or what you do—
I want to spend each moment of the day with you—
Oh, look what has happened with just one kiss—
I never knew that I could be in love like this—
It's crazy but it's true I only want to be with you—

Bridge:  \[ \text{You stopped and smiled at me asked if I'd care to dance—} \]
\[ \text{D . . . | A7 . . . | D7 D7\} \]
\[ \text{I fell into your open arms and I didn't stand a chance—} \]
\[ \text{(----tacet---- ------ )} \]

Now listen, honey

I just want to be be-side you every—where—
As long as we're to-gether, honey, I don't care—
'Cause you've started something, oh, can't you see—?
That ever since we met you've had a hold on me

No matter what you do I only want to be with you

No matter what you do I only want to be with you

I said no matter what you do I only want to be with you
