I’m Only Sleeping (key of F)
by John Lennon (1966)

When I wake up early in the morn-ing
lift my head— I’m still yawn-ing

When I’m in the middle of a dream—
stay in bed— float up — stream
(float up stream)

Chorus: Please don’t wake me No don’t shake me
Leave me where I am I’m on-ly sleep-ing

Every-body seems to think I’m la—zy
I don’t mind— I think they’re cra—zy

Running every-where at such a speed
till they find— there’s no need
(there’s no need)

Chorus: Please don’t spoil my day I’m miles a—way
And af—ter all I’m on—ly sleep-ing

Bridge: Keeping an eye on the world going by my win—dow—
Taking my time

Lying there and staring at the ceil-ing
wait-ing for a sleep-y feel-ing

Chorus: Please don’t spoil my day I’m miles a—way
And af—ter all I’m on—ly sleep-ing
