I'm in the Mood for Love
by Jimmy McHugh and Dorothy Fields (1935)

Bridge:

I'm in the mood— for love— Simply— be-cause— you're near me—

Fun-ny but when you're near me— I'm in the mood— for love—

Hea-ven is in— your eyes Bright as the stars— we're un-der—

Oh is there a-ny won-der— I'm in the mood— for love—

Bridge:

Why stop to think— of whe-ther— This little dream— might fade—

D7 . . . | Em7 . . | B7\ --- | Dm\ --- | Dm\ --- | G7\ --- |
We've put our hearts— to-ge-ther— Now we are one, I'm not a-fraid—

If there are clouds— a-bove— If it should rain—, we'll let it—

But for to-night— for-get it— I'm in the mood— for love—
