I'm in the mood— for love—Simply— be-cause— you're near me—

Fun-ny but when you're near me— I'm in the mood— for love—
Hea-ven is in— your eyes Bright as the stars— we're un-ders-
Oh is there a-ny won-der— I'm in the mood— for love—

Bridge: Why stop to think— of whe-ther— This little dream— might fade—
We've put our hearts— to-ge-ther— Now we are one, I'm not a-fraid—
If there are clouds— a-bove— If it should rain— we'll let it—
But for to-night— for get it— I'm in the mood— for love—

Bridge: Why stop to think— of whe-ther— This little dream— might fade—
We've put our hearts— to-ge-ther— Now we are one, I'm not a-fraid—
