
They say that the moon will shine down up-on you

When you say, in your Ha-waii-an way, I love you, too.

But the stars to-night, when I hold you tight

Seem to say, in your Ha-wai-ian way, I love you, too

Bridge: As the trade wind gently blows your hair

I can treasure each moment that we share

But to-night belongs to you and I

When you say, in your Ha-waii-an way, I love you, too

They say that the moon will shine down up-on you

When you say, in your Ha-waii-an way, I love you, too.

But the stars to-night, when I hold you tight

Seem to say, in your Ha-wai-i-an way, I love you, too

Bridge: As the trade wind gently blows your hair
I can treasure each moment that we share

But tonight belongs to you and I
When you say, in your Hawaiian way, I love you, too
