Some times in our lives we have pain We all have sorrow
But if we are wise we know that there's always tomorrow

Lean on me when you're not strong and I'll be your friend I'll help you carry on

For it won't be long 'Til I'm gonna need some body to lean on
Please swallow your pride If I have things you need to borrow

For no one can fill those of your needs that you don't let show

**Bridge:**

So just call on me brother when you need a hand
We all need some body to lean on

I just might have a problem that you'd understand
We all need some body to lean on

Lean on me when you're not strong and I'll be your friend I'll help you carry on
For it won't be long 'Til I'm gonna need some body to lean on

**Bridge:**

So just call on me brother when you need a hand
We all need some body to lean on

I just might have a problem that you'd understand
We all need some body to lean on
If there is a load you have to bear that you can't carry.

I'm right up the road I'll share your load If you just call me.

Call me Call me Call me

If you need a friend you can lean on me.
