You know I— love you, I always will My mind's made up by the way that I feel.

There's no be-gin-ning, there'll be no end. 'Cause on my love, you can de-pend

I see your face be-fore me, as I lay on my— bed

I kind of get to thinking, of all the things you— said.

You gave your promise to me, and I gave mine to— you

I need some-one be-side me, in every-thing I do

You know I— love you, I always will My mind's made up by the way that I feel.

There's no be-gin-ning, there'll be no end. 'Cause on my love, you can de-pend

It's written on the wind, it's every-where I— go.

So if you really love me, come on and let it show

Come on and let it— show Come on and let it— show
