Making Love, Ukulele Style (Key of G)
by Paul Weinrick and Charlie Hayes (1957)

Making love, uku - le - le style, you don't have to be, in Wai-ki-ki
Making love, uku-lele style, to a lovely uku-lele serenade.

When you love, uku-lele style, with ever - y note, your heart will float.
Far a-way, to a trop - ic isle, while a uku-lele tune is softly played.

Chorus: Strolling a - long be - neath the star - light
Dreaming a lover's dream for two
Soon you will see her/his eyes are star-bright
As the uku - lele magic comes through.

Now if you, want to sa - tis - fy, the one you love, all else a - bove,
Take a tip, and be sure to try, the uku-lele style of making love.

All you do, uku-lele style is just………………
