Making Love, Ukulele Style (Key of G)
by Paul Weinrick and Charlie Hayes (1957)

Making love, uku-le-le style, you don't have to be, in Waikiki
Making love, uku-le-le style, to a lovely ukulele seren-ade.

When you love, uku-le-le style, with every note, your heart will float.
Far a-way, to a tropic isle, while a ukulele tune is softly played.

Chorus:
Strolling a-long beneath the starlight
Dreaming a lover's dream for two
Soon you will see her/his eyes are starbright
As the ukulele magic comes through.

Now if you, want to satisfy, the one you love, all else above,
Take a tip, and be sure to try, the ukulele style of making love.

Optional verse:
All you do, uku-le-le style is just..................
Making love, uku-le-le style, you just............... 
All you do, uku-le-le style is just..................

Strolling a-long beneath the starlight
