Nowhere Man (Key of D)
by John Lennon (1965)

He's a real no-where man, sitting in his no-where land

Making all his no-where plans for no-body.

Doesn't have a point of view, knows not where he's going to,

Isn't he a bit like you and me?

Chorus 1:
No-where man, please listen, you don't know what you're missing,
No-where man, the world is at your command

Instrumental:

He's as blind as he can be, just sees what he wants to see

No-where man can you see me at all?

Chorus 2:
No-where man, don't worry take your time, don't hurry
Leave it all till somebody else lends you a hand

Doesn't have a point of view, knows not where he's going to,

Isn't he a bit like you and me?

(to play in original key of E, capo up two frets)
