Over the river and through the woods, Oh, how the wind does blow——
| F           | C           | G7           | C |
It stings the toes and bites the nose as over the ground we go——
C           | F           | G7           | C
Over the river and through the woods, now Grandma's cap I spy——
| F           | C           | G7           | C           | G7 |
