On the Road Again
by Willie Nelson (1979)

(to play in original key (E) capo 4th fret.)

On the road a-gain—— Just can't wait to get on the road a-gain——

The life I love is making music with my friends
And I can't wait to get on the road a-gain——

On the road a-gain—— goin' places that I've never been——
Dm . . .
Seeing things that I may never see a-gain——
And I can't wait to get on the road a-gain——

Chorus: On the road a-gain, like a band of gypsies, we go down the high-way——
F . . . . . . . | C . . .
We're the best of friends—— insisting that the world keep turning our way——
G7 . G7\
And our way——

C . . . . . . . | E7 . . .
Is on the road a-gain—— Just can't wait to get on the road again——
Dm . . .
The life I love is making music with my friends——
And I can't wait to get on the road a-gain——
And I can't wait to get on the road a-gain——
