On the Road Again
By Willie Nelson (1979)
(to play in original key (E) capo 4th fret.)

Intro: F, G7, C, F, G7, C
C                                                                 E7
On the road again. Just can't wait to get on the road again
Dm
The life I love is making music with my friends
F                            G7                 C
And I can't wait to get on the road a-again.
C                                                                 E7
On the road again, goin' places that I've never been
Dm
Seeing' things that I may never see again
F                            G7                 C
And I can't wait to get on the road a-again.

F                                                                                 C
Chorus: On the road again, like a band of gypsies, we go down the high-way
F                                                                                 C                    G7
We're the best of friends, insisting that the world keep turning our way and our way
C                                                                 E7
Is on the road again. Just can't wait to get on the road again
