Out on the Beach at Waikiki (Key of C)
by Alice Johnson

Out on the beach at Waikiki, lives a maiden I used to know——
Her name is Lulu—— she’s miki-miki——
You’ll see her when you’re out that way——

She surely has a pretty giggle and love-ly light brown hair
But best of all is—— her naughty wiggle——
Oh, oh, how she surely can sway——

Bridge: You can see her grass skirt go—— Like leaves swaying to and fro——
You can see—— her—— U-we-he i-mu-a hu-li a kou wau ia la-we a a li-lo
