Rhythm of the Rain
by John Claude Gummoe (The Cascades -1962)

Listen to the rhythm of the falling rain, telling me just what a fool I've been
I wish that it would go and let me cry in vain, and let me be a-lone a-gain

The only girl I care about has gone a-way, lookin' for a brand new start
But little does she know that when she left that day, a-long with her she took my heart

Chorus:
Rain, please tell me now does that seem fair
For her to steal my heart a-way when she don't care
I can't love a-nother when my heart's somewhere far a-way

The only girl I care about has gone a-way, lookin' for a brand new start
But little does she know that when she left that day, a-long with her she took my heart

Instrumental:
(same as verse)

Chorus 2:
Rain, won't you tell her that I love her so
Please ask the sun to set her heart a-glow
Rain in her heart and let the love we knew start to grow

Listen to the rhythm of the falling rain, telling me just what a fool I've been
I wish that it would go and let me cry in vain, and let me be a-lone a-gain
Oh, listen to the falling rain, pitter patter pitter patter, oh-oh
listen listen to the falling rain, pitter patter pitter patter, oh-oh
