Rhythm of the Rain  
by the Everly Brothers

Listen to the rhythm of the fall-ing rain,  
telling me just what a fool I've been
I wish that it would let me cry in vain,  
and let me be a-lone a-gain

The only girl/guy I care a-bout has gone a-way,  
lookin' for a brand new start
But little does (s)he know when (s)he left that day,  
a-long with her/him (s)he took my heart

Chorus:
Rain, please tell me now does that seem fair
For her/him to steal my heart when s/he don't care
I can't love a-no-ther when my heart's somewhere far a-way

Chorus 2:
Rain, won't you tell her/him that I love her/him so
Please ask the sun to set my heart a-glow
Rain in her heart and let the love we knew start to grow

Listen to the rhythm of the fall-ing rain,  
telling me just what a fool I've been
I wish that it would let me cry in vain,  
and let me be a-lone a-gain
Listen to the rhythm of the fall-ing rain
Listen to the rhythm of the fall-ing rain
