Verse 1
I got the blues from my baby, left me by the San Francisco Bay
The ocean liner's gone so far away
I didn't mean to treat her so bad, she was the best girl I ever had
Said good-bye, she like to make me cry, wanna lay down and die

Harmonica /kazoo instrumental:

Verse 2
Sittin' down looking from my backdoor, wonderin' which way to go
Woman I'm so crazy about she don't love me no more
Think I'll catch me a freight train coz I'm feelin' in blue
Ride all the way to the end of the line thinkin' only of you

Mean-while livin' in the city just about to go insane
Thought I heard my baby, Lord, the way she used to call my name
If she ever comes back to stay it's gonna be another brand new day
Walkin' with my baby down by the San Francisco Bay

Yeah walkin' with my baby down by the San Francisco Bay
