Chorus:
(sing g)

Inch by inch, row by row Gonna make this garden grow
All it takes is a rake and a hoe, and a piece of tile ground———
Inch by inch, row by row Someone bless these seeds I sow
Someone warm them from below, till the rain comes tumb-lin' down———

Pull-ing weeds and pick-ing stones Man is made of dreams and bones
Feel a need to grow my own 'cause the time is close at hand———
Grain for grain, sun and rain Find my way in Nature's chain
Tune my body and my brain, to the music from the land———

Chorus:

Inch by inch, row by row Gonna make this garden grow
All it takes is a rake and a hoe, and a piece of tile ground———
Inch by inch, row by row Someone bless these seeds I sow
Someone warm them from below, till the rain comes tumb-lin' down———

Plant your rows straight and long Season with a loving song
Mother Earth will make you strong, if you give her love and care———
Old crow watch-ing hun-gri-ly from his perch in yon-der tree
In my garden I'm as free as that feath-ered thief up there———
Chorus:
Inch by inch, row by row Gonna make this garden grow
All it takes is a rake and a hoe, and a piece of fer-- tile ground-------
Inch by inch, row by row Someone bless these seeds I sow
Someone warm them from below, till the rain comes tumb-lin’ down------
