A-way out west they've gotta name for wind and rain and fi--ire

The rain is Tess, the fi--ire's Joe and they call the wind Ma-riah

Ma-ri-ah blows the stars a-round and sets the clouds a--flyin'

Ma--ri--ah makes the moun-tains sound like folks were up there dyin'

Be-fore I knew Ma-ri-ah's name and heard her wail and whi-nin'

I had a girl and she had me and the sun was al-ways shi-nin'

But then one day I left my girl, I left her far be-hind me-e-e

And now I'm so lost, so gall-dern lost not e-ven God can find me-e

Out here they've got a name for rain, for wind and fi--ire on--ly

But when you're lost and all a-lone there ain't no word but lo-one-ly

And I'm a lost and lone-ly man with-out a star to guide me-e-e

Ma-ri-ah blow my love to me, I need my girl be-side me-e-e
