Tumbling Tumbleweeds
written by Bob Nolan, 1935

See—— them tumbling down—— Ple—— ding their love to the ground——

Lo—— nely but free I'll be found—— Drift—— ing a-long with the tumbling tumble-weeds——

C—— ———'m a roaming cow—— boy—— ri—— ding all day long——

Tum—— ble-weeds a-round—— me—— sing—— their lonely song——

Nights under—neath a prairie moon—— I ride a— lone and sing a tune——

See—— them tumbling down—— Ple—— ding their love to the ground——

Lo—— nely but free I'll be found—— Drift—— ing a-long with the tumbling tumble-weeds

C—— ——— of the past are be— hind—— No—— where to go but I'll find——

Just—— where the trail will wind—— Drift—— ing a-long with the tumbling tumble-weeds

I know—— when night has gone—— that a new—— world's born at dawn——

I———'ll keep rolling a— long—— Deep—— in my heart is a song——

Here—— on the range I be— long—— Drift—— ing a-long with the tumbling tumble-weeds——

(Slow down)

Dr—— ifting a— long with the tum— bl— ing tum—— ble—— weeds——
