(You Make Me) Smile
by Uncle Kracker

Intro: E, F#m, A, B

You’re better than the best . . . I’m lucky just to linger in your light
Cooler than the flip side of my pillow, that’s right.
Completely un-a-ware . . . nothing can compare to where you send me,
Lets me know that it’s okay, yeah, it’s okay.
And the moments where my good times start to fade

Chorus: You make me smile like the sun, fall out of bed, singing like a bird, dizzy in my head,
Spin like a record, crazy on a Sunday night...
You make me dance like a fool, forget how to breathe, shine like gold, buzz like a bee
Just the thought of you can drive me wild...

Even when you’re gone . . . somehow you come along
Just like a flower poking through the sidewalk crack and just like that

Chorus

Bridge: Don’t know how I lived without you cuz every time that I get around you
I see the best of me inside your eyes You make me smi-i-i-i-iile

(sung more quietly) You make me dance like a fool, forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild...

Chorus

Ending: (Oh you make me smile) Oh you make me smile
(Oh you make me smile) Oh you make me smile
